

# THURSDAY THOUGHTS

St. Benedict Catholic School

October 31, 2019

## Mission Statement

**United in Community, in partnership with families, guided by the message of  
St. Benedict, God calls us to Live, Learn and Love!  
KEEP REACHING!**

### FROM MRS. HARTMAN

While most of our children are focused on today's celebration of Halloween or Trick or Treating, tomorrow's celebration is most deserving of our attention. November 1<sup>st</sup> is the Feast of All Saints, a holy day of obligation in the Catholic Church. It is rare that we are not in school attending mass together on this day, but due to scheduling, this year is an exception.

As parents and Catholic educators, we share the responsibility of helping our children find the path to heaven. The saints serve as the role models for all of us on that journey. Their lives and their holiness give us a map to finding the place God has prepared for each of us and our children in the kingdom. May we be like the saints and say yes to all that God has prepared for us.

**Lord, may we share your love in the way of all the saints.**

***Thanks again to all who helped make October Events fun and successful!!***

***GRANDPARENTS' DAY TRUNK OR TREAT and BOOK FAIR all required to help of many hands from PTO, parents and teachers!***

***Please remember to share your time and talent for upcoming school activities and events!!!***

### PARENT/TEACHER CONFERENCES

Parent/Teacher Conferences will be held Friday, November 1<sup>st</sup> between 8:00 am and 5:00 pm. Teachers have worked together to try to schedule the times that you have requested. The scheduled conference times were sent home in last week's Thursday envelopes. If you are unsure of your time, please contact the school office.

### FALL WEATHER

Once again we are experiencing a typical Ohio autumn in which the weather is very unpredictable. Some days are warm and others are extremely chilly. Please send your child to school with a jacket, sweatshirt, or winter coat that can be worn or removed to adapt to the weather. We will go out for recess whenever possible and want students to be prepared.
