

THURSDAY THOUGHTS

St. Benedict Catholic School

September 19, 2019

Mission Statement

**United in Community, in partnership with families, guided by the message of
St. Benedict, God calls us to Live, Learn and Love!**

KEEP REACHING!

FROM MRS. HARTMAN

Prayer is an important part of each day at St. Benedict Catholic School. Not only do we begin and end each day in prayer, many of our teachers begin each lesson with a prayer. We do not need to take a moment of "silence" to honor fallen heroes or remember someone in need or who is dear to us.... WE CAN PRAY FOR THEM OUT LOUD!

Each morning we consecrate ourselves and our day to Jesus:

**Dear Sacred Heart of Jesus,
I love you so much and I give you my heart.
Help me to love God.
Help me to love my neighbor as a child of God.
Help me to love myself as a child of God. Amen**

The most important prayer of the week is celebrating Mass together as a school community each Tuesday at 8:15 am. Please join us!

7:00 – 7:55 am.

Students should be dropped off at the gym doors in a single file car line.

Do not pass other cars in front of you during drop off!

Do not leave your vehicle while in the car lane.

Use a parking place if walking child to building.

Parents must accompany children walking through lot.

Weather Delay and Closings

In the event of weather delays or closings, St. Benedict School will follow the **Toledo Public Schools (TPS)** announcements. You may also watch for **Toledo Catholic Schools**. St. Benedict will not be mentioned separately unless we have an internal issue. Please listen to the local news for fog or winter weather delays/closings. School begins at 9:55 on 2-hour delay days.

Important

NWEA Measure of Academic Achievement (MAP) is the standardized assessment used in all Catholic schools in the Diocese of Toledo. All students K-8 will participate. Total testing time per student is 2-4 hours spread over a few days as indicated on the attached schedule. Please make every effort to ensure your child is present on assigned days. Lots of rest and good nutrition also help students do their best!
