Section 1: WELCOME

Welcome to St. Benedict Catholic School. This school has been created through the collaborative efforts of Our Lady of Lourdes and Little Flower Parishes in order to provide the highest quality Catholic education to the students entrusted to us. As parents and guardians, you are integral to the academic success of your students and to the well-being of this school community. We value and cherish this partnership.

Section 2: INTRODUCTION

This handbook is designed to give you and your student information regarding St. Benedict Catholic School. Please read it carefully. Keep this handbook in a convenient location for quick and easy reference. It is also posted on our website www.stbenedicttoledo.org

All parents and students agree, by virtue of their enrollment at St. Benedict Catholic School, to abide by all the policies and procedures contained in this handbook.

The education of a student is a partnership between student, parent, and the school. Just as the parent has a right to withdraw a student if desired, the school administration reserves the right to require the withdrawal of a student if the administration determines that the partnership is irretrievably broken.

Section 3: VISION

St. Benedict Catholic School will become the Catholic School of choice to which parents send their student for spiritual formation and education. Our school with its spiritual, academic, cultural, and extra-curricular programs will be chosen by parents for its superior offerings. Our students will be positioned for future success. Members of both Our Lady of Lourdes and Little Flower Parish communities will enthusiastically support this ministry and celebrate its growth. We will hold ourselves to the highest standards of Catholic Education in the Diocese of Toledo.

Section 4: MISSION STATEMENT

United in community, in partnership with families, guided by the message of St. Benedict, God calls us to **LIVE, LEARN AND LOVE.**

Section 5: BELIEF STATEMENT

Different by Design

We believe that the existence of our school comes from the strength of our Catholic faith in partnership with our families.

The foundation of our school is rooted in the Catholic Faith and is integrated across the curriculum. We take pride in being different by design and anyone who visits St. Benedict will recognize that distinction.

Live

We believe it is imperative to help students live Gospel values. Through service we promote the personal, emotional and spiritual growth and development of each student. That growth is encouraged through service projects, the study of the spiritual and corporal works of mercy, and the practice of life skills through mentorship.

Learn

We believe it is crucial to teach through the lens of ministry and service. As teacher-ministers it is our blessing and responsibility to help students not only to achieve their academic goals, but to realize their God-given gifts and talents.

Love

We believe that in order for students to be united as a community they must feel love from our teachers, staff, parishes, and their peers. With love we guide the students through obstacles and challenges, both academic and personal. We provide the students the tools and resources they need to persevere through difficulties with compassion and support

Section 6: PHILOSOPHY

St. Benedict Catholic School exists to assist the parents, the primary educators of their students, in their mission to educate and direct the spiritual and intellectual development of their student.

We accept the responsibility to cooperate with the Church and the parents, to guide, inspire, instruct and morally form the students entrusted to us.

We will maintain a staff of qualified, certified educators, dedicated to and motivated by this common purpose--to help the student develop and maintain sound moral, mental, and physical health.

We are committed to provide the students an experience of integrating learning and living a life of Faith so that this integration can be played out in a life of commitment to their community, their Church and themselves.

We are committed to instilling in the students entrusted to us a solid foundation in the Gospel values upon which we're commanded by Jesus to base our lives.

We recognize that we are dedicated to three essential elements of our teaching ministry—living, loving, and learning all that God has revealed to us in Scripture.

Section 7: FAITH EXPERIENCES, GOSPEL GUIDELINES AND LIFESKILLS

Our faith experiences and adherence to the gospel values and life skills are what sets St. Benedict students apart. The formal study of the catholic religion is an integral part of Catholic education. It is, therefore, essential that every member of this school community participates in religion classes. The goal of our school is to form the character of the students with an understanding of human dignity.

Students of other faiths

Students of other faiths enrolled at St. Benedict Catholic School are required to participate in religion class and to attend and participate in liturgies. Participation in sacraments is governed by the guidelines of the Roman Catholic Church and therefore available to those students and parents who are practicing the Catholic faith. We welcome non-Catholic students to receive blessings during communion distribution at Mass or just speak with a priest during reconciliation services. Our school respects the individual religious beliefs of those who are not Roman Catholic and ask that families of different faiths will likewise respect the teachings of the Catholic Church.

School Prayer

The school day begins and ends with prayer. Formal prayer as well as spontaneous prayer will be shared. Students will say the “Blessing before Meals” at lunch time.

School Mass

The existence of a Catholic school is the passing on of the faith. An important part of this faith is our privilege to offer worship. The students at St. Benedict Catholic School have the opportunity to worship weekly at school Masses. Classes alternate planning the Eucharistic liturgies throughout the year. Parents are invited to join in these special celebrations recognizing that Holy Communion is distributed to those belonging to and practicing the Catholic faith.

Reconciliation

Periodically throughout the school year, students will have the opportunity to receive the sacrament of Reconciliation.

Sacramental Preparation

Parents are the initial and most important educators of their students - especially in the area of faith and the Catholic Church. Parents are required to participate in the sacramental preparation programs in order to evaluate the readiness of their student for the sacraments. St. Benedict Catholic School includes lessons in the religion curriculum at Grades 2, and 8 to aid parents in the preparation of their students to receive the sacraments. Our 2nd grade students prepare for and receive First Reconciliation and First Eucharist. Confirmation is scheduled on a yearly basis for our 8th grade students.

Sacramental preparation will take place through Religion classes at St. Benedict Catholic School as well as the students’ home parish. Celebration of First Eucharist will take place in the student’s home parish. Celebration of Confirmation will take place as a group at Queen of the Most Holy Rosary Cathedral.

Sunday Worship

In keeping with the third commandment of God, “Remember to keep holy the Lord’s Day,” parents are strongly encouraged to worship with their students each weekend with their church community.

Theology of the Body

Included in the Diocese of Toledo Religion Course of Study is formation for chastity and human sexuality. To attain the learning outcomes established for 7th and 8th grades, St. Benedict Catholic School follows a highly recommended curriculum “Theology of the Body for Teens: Middle School Edition” based on the teachings of Pope St. John Paul II. Students take part in instruction during the regular religion class.

Section 9: GENERAL SCHOOL INFORMATION

Daily Schedule

The school day is from 7:55-2:25 for students in grades K-8. Students need to arrive in time to allow them to be in their seats, organized and ready to begin the day at 7:55.

Each day begins with prayer together and announcements. We expect everyone, including visiting parents and other adults, to respect our right to pray together to begin the day by following our lead and joining with us to pray or remaining silent during this prayerful time.

Arrival

All students may be dropped off at the Gym doors (north side) beginning at 7:00am. No other school doors will be open at that time. Students will remain in the gym under direct supervision until the 7:40 bell. Students will then be directed to their classroom to prepare to begin the school day.

St. Benedict's Catholic School locks all exterior doors at 7:55am. Families arriving at this time or later must enter through the Tower door (south side) which has a buzzer entry system.

Dismissal

Starting at 2:20pm, the day concludes with prayer and announcements.

Depending on the mode of transportation, students are released systematically after prayer and announcements. We will dismiss ALL CAR students from the gym. Students who ride the bus will be dismissed through Door 13 on the Dorr St. side of the building. Students who attend Extended Care will be escorted to the Extended Day Care room. Parents who are picking up their students park in the church lot using the spaces in the middle and walk to the safe area marked with traffic cones. Students will not be permitted to go directly to the car.

Any student not picked up by 2:30 when all buses have been called will report to Extended Care and parents will be billed for the time that their student uses Extended Care. **FOR REASONS OF SAFETY AND SECURITY, STUDENTS WILL NOT BE PERMITTED TO WAIT FOR PARENTS IN THE PARKING LOTS, IN THE GYM, OR BY THE EXIT DOORS AFTER 2:30pm.**

After School Extended Day Care Program (EDP)

After school student care is available to students of St. Benedict Catholic School in grades PreK – 8, from 2:30-6:00 p.m. This service provides the opportunity for a change of clothes from uniform to play clothes, along with games and recreation, snack time, and a quiet time set aside for homework completion. It provides attention and security in a Christian environment. Parents are billed on a weekly per hour basis. Rates are published on Extended Care paperwork at the beginning of the year.

Records are kept daily and invoices for the services are sent **each** week in the Thursday envelopes from the Business Office. *Payment for these invoices should be returned in the Thursday envelope the next day.* There is a \$5.00 late fee charged for every week that a payment is late.

Families who owe more than 2 weeks of Extended Care services will be asked to refrain from using the program until the account is current. If there are outstanding balances at the end of a quarter, the student's report card may be withheld until the account is current.

Please use Door 13 to pick up students from K-8 Extended Day and Door 2 to pick up students from Preschool Extended Day. Ring the doorbell located in the box by the door and an Extended Day employee will buzz you in.

We ask that you inform the School Office and/or the Extended Care Staff if someone other than yourself or a person identified on your student's approved "pick up list" will be picking up your student from Extended Care.

Extended Day forms are part of the enrollment packet and filled out with enrollment papers through FACTS. If you decide to have your student attend EDP, the first day that your student attends the program you will be given a special set of registration and emergency information forms and regulations that should be completed immediately so that information is accessible and accurate. No student may return to EDC until forms are completed and returned.

Birthdays, Invitations, Parties

Birthdays: At St. Benedict Catholic School student birthdays are non-uniform days. Students may celebrate by not wearing their uniform for their special day. Please see the guidelines for appropriate dress on *Spirit Days*. However, uniforms are always appropriate.

Student birthdays will be announced as part of the morning announcements on their day or the day closest to that day. June, July, and August birthdays are celebrated in the months of January (June), February (July), and March (August) and will be announced on the day during those months; ½ birthdays for K-8 only.

Please check with your child's teacher for their individual classroom birthday treat policy for what types of treats are allowed.

Balloons, flowers, etc. for a student's birthday are not allowed. Such items can create a distraction in the classroom and cannot be transported home effectively.

Invitations: As a Catholic school, we strive to include ALL students in our activities. Parents who want invitations to a party to be given out at school must speak with the teacher prior to giving the invitations out. Invitations can only be given to the entire class or to all the girls or all the boys in the class. Invitations cannot be given to only a few of the students at school while the others are not invited.

If the parent chooses not to include the entire group, invitations will not be given out at school. The school office and the classroom teachers do not give out lists of addresses and/or phone numbers in order to maintain the privacy of parents.

Parties: Parties for special occasions such as Halloween, Christmas, and Valentine's Day are organized by the PTO and/or teachers. Teachers are not obligated to organize class parties for special occasions.

Class Size

St. Benedict Catholic School utilizes the policy established by the Board of Directors to guide class size and staffing decisions. Every effort will be made to accommodate every family who wishes to have their students attend St. Benedict Catholic School while ensuring that the individual needs of students can be met. We will

provide adequate and flexible staffing (certified teachers, teachers' aides) and scheduling to meet the educational needs of the students entrusted to our care.

Communication

Each Thursday, a newsletter will be sent home via the email listed in your FACTS account. This newsletter will contain information about upcoming events at school. In addition, a monthly calendar is sent home both digitally and in the brown envelope that is sent home periodically with paper copies of documents. The brown envelope will be sent home with the oldest student in the family.

Each teacher will send home communication about their classroom as they deem appropriate. It is up to the discretion of the classroom teacher how and when classroom communication takes place.

Chain of Command/ Questions and Concerns

Following the chain of command demonstrates respect for all those involved.

From time to time, questions or concerns may arise regarding school and you will need to contact your student's teacher. If and when they do arise, please follow this procedure.

- 1) Contact the teacher. The teacher is the most apt to have the information a parent needs and can best handle the situation. If you need to contact the classroom teacher about a question or concern, please email them. **Teachers will respond when they are able to do so. Please give teachers 24 hours from your email to respond.**
- 2) If the problem is not resolved, contact the principal. This also can be done via e-mail, a note, or a phone call to the school.
- 3) If the problem is not resolved at this point, contact the local superintendent, Fr. Jason Kahle, Pastor of Little Flower church.

Lost and Found

Please take time to write your student's name all are articles of clothing and personal items.

Lost articles are turned into the office. Several times through the year, these items are displayed in the hallway of the gym to be claimed. Any article of clothing not claimed will be donated to charity.

Lunch and Milk Program

St. Benedict Catholic School has a hot lunch program provided through the PTO, which supports student and school activities. Students may buy their lunch by pre-ordering or bring their lunch from home. They may bring drinks or purchase them at school. We offer white and chocolate milk. Hot lunch is purchased on a monthly basis. Milk is purchased on a quarterly basis.

Eating healthy, well-balanced lunches is expected. Please minimize candy, sweets and junk food. Students are encouraged to finish their lunches. **Carbonated beverages are not allowed.**

Lunches brought to school late are to be left in the school office and will be delivered at the beginning of the lunch period in the gym. Lunches will not be delivered to the student's classroom.

Meal delivery services such as but not limited to, DoorDash/UberEats/Grubhub/Postmates/Etc are Prohibited. Parents may NOT use these services to have lunch delivered to school for their child.

Money and Returned Checks

When sending money for anything with your student, **please** be sure that it is in an envelope, clearly marked with its purpose, the student's name, room number, and the enclosed amount.

Any check written to the school and returned to us for any reason by the bank will be then returned to the family issuing it. Per school policy the check is **not** re-submitted to the bank. The amount of the check, in addition to a \$20 fee for the handling of the check, will then be due directly to the school.

If returned checks become a serious problem, we will require **all** payments to be made either by money order, cash, or bank check.

Parent-Teacher Organization

The purpose of the PTO is two-fold: Fundraising efforts support academic programs; Social activities are planned and scheduled for parents, students, faculty, and staff throughout the year. These activities will be designed to enhance the sense of family and community.

All parents are encouraged to become active members of the PTO. This is not a policy-making group but it provides valuable services to the school and the school students. PTO meetings and various activities are announced on the monthly school calendar, fliers in the Thursday envelopes, email transmission, and are posted on the St. Benedict Catholic School web page.

Section 10: ACADEMICS

Curriculum

The curriculum for St. Benedict Catholic School is based on the Courses of Study developed by the Diocese of Toledo. The Courses of Study prescribe the concepts to be taught at each grade level for each subject and provide continuity of education from grade level to grade level. Standards describe what students should know, understand or be able to do at the end of a grade level or Course of Study. The Catholic Identity Standards ensure that Catholic Identity is infused in all Courses of Study and curriculum.

Concerts and musical performances

Concerts and other musical performances throughout the year use class time for preparation and therefore become part of the basis for academic growth. Therefore, students who do not participate in the concert performance for any reason other than illness will receive a reduction in grade. All concerts and musical performances are included on the yearly calendar to help eliminate scheduling conflicts.

Homework

Homework assignments will be definite, flexible and planned according to the needs and abilities of the student. In general, homework will:

1. Help the student develop independent study habits.
2. Reinforce learning that has taken place at school
3. Bring home and school closer together by allowing parents to see what their student has studied during the day.
4. Help the student develop time management skills that are critical to future success.

Each classroom will display the daily assignments. Students will be expected to enter those assignments in their student planner.

Families play a key role in assisting students to develop positive homework habits by:

- Being in daily communication with your student regarding homework assignments
- Helping your student establish a homework routine
- Notifying a teacher in writing or email if an emergency made it difficult for your student to complete homework

- Regularly checking FACTS for late or missing work.

Teachers will establish a homework policy within their own classrooms and communicate expectations to students and parents at the beginning of the school year. The policy includes consequences for students who do not complete or turn in assignments when they are due.

Work Missed While Absent

Students will have one day per day absent to complete and turn in all work due to an absence. For example, if a student is absent for three days, they have three school days to complete their absent work. Each teacher will establish their own policy in their classrooms to address the consequences if the absent work is not turned in on time. Please discuss any reason that will make it difficult for your student to complete the work in this time frame with your student's teacher.

Integrity in Learning

Academic integrity is one of the guiding principles at St. Benedict Catholic School. Consequently, any form of cheating, including plagiarism, may result in severe consequences. All students will be responsible for compliance with St. Benedict Catholic School's *Acceptable Use Policy for Internet and Related Technology* (See Appendix A.)

Plagiarism is any presentation of another's work, ideas, or words as one's own without acknowledging the source in standard formats such as bibliography or appropriate citations. Forms of plagiarism include:

- Copying information word-for-word in whole or in part, without using quotation marks and without acknowledging sources
- Paraphrasing material or using another's ideas without acknowledging sources
- Using another's creative work such as art, music, or photography without permission or acknowledgment
- Fabricating or deliberately giving incorrect information about sources
- Electronic copying and pasting

This policy is necessary because ideas and words are intellectual property protected by United States copyright law. Intellectual property theft therefore, is illegal as well as unethical. Teachers will educate students about the appropriate ways to cite references. Should a student be in violation of the Academic Integrity Policy, the teacher will respond to the situation in a manner appropriate for the student's grade level and aligned with assignment expectations. Parents may be called in for a conference and students may be responsible for re-doing the assignment or may receive a reduction in score/grade.

Student Services

The State of Ohio provides funds through the Auxiliary Services Program (ASP) for textbooks and personnel services.

The following services are provided to students at St. Benedict Catholic School through this resource:

Intervention Specialist
School Nurse
School Counselor
Speech Therapist

A *School Nurse* is available two days a week through ASP funds. The school nurse routinely reviews and maintains health records for students, checks immunization records, provides screening for hearing, vision, blood pressure, scoliosis, identifies communicable diseases, and cares for students when they become ill or emergencies arise.

An *Intervention Specialist* is on staff through ASP funds. This teacher provides specialized help in determining interventions and strategies that can be used for students who have identified learning difficulties. The Intervention Specialist will also assist in coordinating the multi-factored assessments when there is an identified need.

A *School Counselor* is available one to two days a week. The counselor will assist students encountering difficulties in coping with everyday problems as well as on-going issues. The school counselor may also assist classes with topics considered developmentally appropriate.

A *Speech Therapist* is at school one day a week. The therapist will screen and provide therapy to students who are referred and identified through the assessment process.

These positions are dependent on funding and availability through Toledo Public Schools.

The services of a school psychologist are available on an as needed basis. These services are only available for TPS approved Multi-Faceted assessments.

Teaching Methods

Teaching method is a matter of teacher discretion. Teachers seek the most effective means of teaching/re-teaching important concepts to meet the individual needs of students.

Technology

Students are required to abide by all terms of the school's Computer Network and Internet Acceptable Use Policy. A copy of the policies are found as Appendix A and B in this handbook. The use of the Internet and related technologies is a privilege. Inappropriate use may result in loss of this privilege. Unacceptable use includes, but is not limited to: transmission of materials in violation of any Federal or State regulation, copyrighted material, threatening, violent or obscene material or material protected by trade secret. Use for commercial activities is not acceptable. Political lobbying, game playing, unauthorized "chat" or chain letter communication is also prohibited. Other examples of unacceptable information are pornography, information on bombs, inappropriate language and communications, flame letters, etc. Students who use the Internet to harm or destroy the reputation of another student or the school—either at school or at home—will be disciplined up to and including expulsion.

St. Benedict Catholic School uses a technology protection measure that blocks or filters access to some World Wide Web sites that are not in accordance with the policy of the school. This measure protects against Internet access by adults and minors to visual depictions that are obscene and contain student pornography harmful to minors. To ensure enforcement of the policy, St. Benedict Catholic School will monitor use of technology resources through direct supervision, monitoring Internet use history or various software and hardware tools.

Textbooks and Workbooks

Textbooks are property of St. Benedict School and are for student use. Textbooks should be treated with care. Any textbook returned damaged or beyond normal wear and tear may result in replacement fee to the family.

Workbooks are the property of the student. Students are expected to show proper care for all workbooks. Replacement of lost or severely damaged workbook may result in additional fee to the family.

RTI (Response To Intervention) Process

When a student is struggling academically, there is a process that the school follows to give them the support that they require for learning. This is called our Response To Intervention (RTI) The following tiers are completed in order.

Tier 1- While in a whole group academic setting, if a student needs help, the teacher will give individual help or redirection for each student in their class as needed.

Tier 2- If a student does not respond in a way that is conducive to learning for an extended period of time, the teacher will take the student into a small group or individual setting to reteach the skill or skills to the student. Also, the use of our Title I reading and math tutor will be enacted so the student can learn in a small group setting.

Tier 3- If a student is not responding to individual instruction in both the classroom and with Title I tutoring, it may be necessary to administer testing with our school psychologist with the cooperation of the teacher, Title I tutor, and the parent/guardian of the student.

Section 11: STUDENT RECORDS

Right to Information

Full rights of access to information is given to either parents (natural or adoptive) unless there is evidence of a court order, state statute, or legally binding document relating to such matters as divorce, separation, or custody that specifically revokes these rights. It is the responsibility of parents to make known to the school by providing copies of legal documentation that identifies the person(s) who has the right to records and information.

Student Records and Files

A cumulative record is maintained for each student enrolled in the school. This record contains yearly educational data including standardized test scores, reports of special services received, along with student grades. These files are locked and are available only to certified members of the staff, parents/guardians of students, and other authorized persons and agencies. Health records folders are maintained separately from the student's academic record. Folders contain all health information and records of all immunizations requested by law and are kept in the Nurse's Office.

Student files are sent to the student's receiving school of transfer only upon written request of the receiving school. **Payment of all monies owed to St. Benedict Catholic School must be made before records will be released.** The only exceptions are the ISP and health records.

Parents have the right to view their student's record. St. Benedict Catholic School requires a 24-hour notice and the request must be in writing. Records may not be removed from the school offices. Unless there is a court order to the contrary and we are in receipt of that order, non-custodial parents have the same right to view records. In the absence of a court order to the contrary, the school will provide the non-custodial parent access to academic records and other school-related information regarding the student. It is the responsibility of the custodial parent to provide the school with an official copy of the court order stating otherwise because both parents, by law, have the right to view their student's records. The following are persons or agencies that have a right to a student's educational data without a parent's consent:

- a. All certified members of the staff who may have legitimate educational interests to use educational data
- b. School officials of other schools who have legitimate educational interests
- c. Financial aid officers
- d. Those processing a subpoena for such data
- e. Accrediting organizations
- f. Legitimate researchers, as determined by the judgment of the principal or local superintendent
- g. Law enforcement officers who are conducting an investigation to determine whether the student may

- be a 'missing student'
- h. Court attorneys conducting an investigation regarding the student.

A permanent record card is kept indefinitely by the school. A cumulative file of educational data for each student enrolled in the school is also maintained in the school office.

The cumulative file contains:

- copy of the student's birth certificate,
- student photo,
- all standardized test scores, and report cards.
- A separate file is maintained for reports of all special services (i.e. psychological testing, Minor Adjustment Plan [MAP], Individual Service Plan [ISP]).

Section 12: ACADEMIC ASSESSMENT

Academic Honors

Academic Honors: Students in grades 3-8 will be eligible for Academic honors awarded at quarterly honor assemblies. These assemblies will be announced on the monthly calendars. The guidelines for honors are as follows:

1st Honors = All A's in Core Content Subjects

2nd Honors = All A's and B's in Core Content Subjects

St. Benedict Award = Student displaying their personal best; demonstration of extraordinary effort, growth or improvement.

Core Content Subjects are Religion, Math, Language Arts, Science, and Social Studies.

***While grades 3-8 use letter grades, grades K-2 use a different grading system. The K-2 system is a skills based system with the letters M-Mastered, P-Progressing, D-Developing, AC-Area of Concern.**

Parent-Teacher Conferences

Parent-Teacher conferences are scheduled for all students in the fall--shortly after the end of the first quarter of school. These conferences allow parents and teacher to share information about the student and evaluate his/her progress. They also provide parents with a better understanding of the education program. These dates are noted on the yearly calendar.

Other conferences are by request of either the teacher or parent. Teachers will confer with parents as soon as possible when a student's performance and/or behavior become unsatisfactory or show marked or sudden deterioration. Parents may also request a conference at any time. To schedule a conference, parents must send a note to the teacher or e-mail message. The teacher will respond as soon as possible. **Parents should not expect to confer with a teacher before or after school without an appointment.**

Promotion Policy

The Ohio Code gives the superintendent the right to assign pupils to levels. In the Diocese of Toledo the Principal has this authority. The classroom teacher, in consultation with parents and principal, is the one charged with the responsibility of promotion. In the event that a student's ability to succeed in the next grade level is seriously in question, parents will be consulted in reasonable time, generally by the end of the third quarter, prior to the decision to retain a student. The school staff will work closely with the parents in a series of conferences to determine the best situation for the student. If the school agrees to placement, rather than retention, based on the parent's written request not to retain, the student will be placed, rather than promoted. The school record will reflect placement, not promotion. The following information will be reviewed prior to a

decision or recommendation:

- Individual classroom performance
- Student attendance
- Individual and/or standardized test results
- Past history of promotions and/or retentions

Student Evaluation:

Immediate feedback is one essential element of brain-compatible learning. Teachers give verbal, non-verbal and written feedback known as formative assessments to their students regularly .

St. Benedict Catholic School utilizes an online grade reporting system. This provides constant, consistent communication with parents/guardians on the progress of their student. Depending on the type of assignment given and timeliness of student completion, teachers will update the online grades as frequently as possible. Please check on your student's progress and communicate with the teacher when you have questions or concerns and the teachers will do the same. St. Benedict Catholic School currently uses FACTS, yet reserves the right to employ any online grading report system. You will receive the access code to view FACTS within the first two weeks of school.

Students in **grades 3-8** will receive a midterm report card. This midterm report will be sent home with the student in paper form. It is expected to be signed by the parent/guardian and returned to the student's homeroom teacher.

For the 2024-2025 school year, midterms will be sent home on these dates:

September 20

November 25- at Parent/Teacher Conferences

February 7

April 25

Report cards are one indicator of a student's progress and achievement in basic skills, maturation, and social and civic development. These summative assessments are issued at the end of each quarter (approx. 9 weeks). Please check the monthly calendar for the exact date of distribution.

Students who have an Individualized Education Plan (IEP) through the Autism Scholarship will receive quarterly reports.

Testing

St. Benedict Catholic School participates in the standardized testing program used by the Diocese of Toledo through Northwest Education Association *Measures of Academic Progress* (MAP Testing). Information regarding this program will be communicated twice a year to parents.

The Assessment of Religious Knowledge (ARK) test is given in the spring to grades 2-8. This test assesses students' knowledge about their religious education. The school uses this information to design curriculum and goals around students' needs in the ARK areas.

Section 13: ADMISSIONS AND WITHDRAWALS

At the time of a student's initial enrollment, the person responsible for the student shall provide the student's original birth certificate, completed health records, and written evidence that meets or exceeds the minimum

immunization requirement. No student will be permitted to remain in school for more than one month without written evidence of immunization. In the case of a student who does not reside with both parents, the person responsible will provide the school with court documents that outline legal custody of the student. If the student is a baptized Catholic, the responsible party will also provide a baptismal certificate.

Student Age Requirement

A student must be five years old by September 30 in order to be enrolled in kindergarten. To enroll a student who

turns five years old between September 30 and December 31, a recognized early entrance test must be given before admission. A student must show evidence of prior achievement in a recognized kindergarten program before he/she may be admitted to first grade.

Non-Discrimination Policy

St. Benedict Catholic School does not discriminate on the basis of race, color, sex, age, disability or ethnic origin in the hiring of its certified and non-certified personnel. In accordance with Christian principles, St. Benedict Catholic School recruits and admits students of any race, sex, color, age, gender, ethnicity, national origin, ancestry, disability (if student can safely function in the environment with the support and services that the school can offer), or religion to all the rights, privileges, programs and activities. In addition, the school will not discriminate on the basis of race, sex, color, age, gender, ethnicity, national origin, ancestry, disability or religion in the administration of its educational policies, scholarships, loans, athletics, fee waivers, and extracurricular activities. In addition, the school is not intended to be an alternative to court administrative agency ordered or public school district initiated desegregation.

Registration

Registration begins in January; Registration materials are located in our FACTS portal. Families sign into their FACTS account to begin the registration process each year. Preference is shown to returning students and parishioners of Our Lady of Lourdes and Little Flower Churches. All fees must be current before registration is accepted. Registration will be considered complete when the following criteria are met:

- \$100.00 registration is paid by the due date
- All forms have been completed and submitted online by the due date
- Tuition has been paid or arrangements have been made through FACTS
- All outstanding fees such as extended day care are current

For *new students* entering our school, the following items are **required**:

1. Documentation
 - a) Birth Certificate
 - b) Baptismal Certificate for those students who are Roman Catholic; certificate for First Reconciliation, First Communion, and Confirmation, if the student has already received any or all of these sacraments.
 - c) Immunization Record – All students accepted into our school are required to have proper immunizations in accordance with established regulations from the State of Ohio.

2. Release of Records

The parent/guardian will be given a Release of Records Form to complete, indicating the name and address of the last school attended by the student. The school secretary will contact the previous school to request the transfer of student records to St. Benedict Catholic School.

Withdrawal

Parents of a student transferring to another school need to notify the principal including withdrawals occurring at the end of the year. Additionally, when withdrawing a student from St. Benedict Catholic School, families are required to:

- Request a release of records from your student’s new school
- Ensure all fees are paid in full; academic files are forwarded only if no money is owed.
- Ensure the return of all library books, textbooks, and Chromebooks.

St. Benedict Catholic School promotes and encourages students to continue their Catholic education at any of the local Catholic High Schools. As such, the teachers and staff will gladly complete the recommendation forms requested for admission to any high school. However, it is not part of our policy to complete the same type of teacher recommendation forms for admission to Catholic or private Junior Academies, Middle Schools or Junior High Schools. We will certainly forward any records as requested by the Junior Academies at the conclusion of the year as we would do for any other school requesting records.

Section 14: ATHLETICS

CYO Sports

St. Benedict Catholic School provides an opportunity to participate in sports through affiliation with Little Flower and Our Lady of Lourdes Parishes in conjunction with the Catholic Youth Organization (CYO) in the Diocese of Toledo. Each sport will be offered dependent on student interest and availability of volunteer coaches. Coaches are required to hold certification through the CYO office. Additionally, each volunteer must complete “Protecting God’s Students,” through Virtus Online and must also have proof that he/she has successfully completed the Ohio Criminal Background Check. Sign up times for sports will be announced through St. Benedict Catholic School communications and through bulletin announcements in both Our Lady of Lourdes and Little Flower Parishes.

Section 15: ATTENDANCE

Parents and guardians are responsible to ensure that their student is in attendance during all school calendar days. Illness and family emergencies are the exception. State law requires that all students of elementary school age attend school regularly. Written work is only a partial reflection of classroom instruction. There is no substitution for missing what takes place in the classroom. Upon their return, students are responsible for speaking with their teacher about missed homework, class work, quizzes and tests. Please see Section 10 **Missed Work While Absent** to determine due dates for absent work. State school laws provide that a student may be kept from school for the following reasons:

- personal illness
- death of a relative
- URGENT medical or dental appointments

Absences of more than three consecutive days require a written Doctor’s excuse upon return. **15 or more absences (excused or unexcused) in one academic year may result in dismissal from St. Benedict School.** Attendance records will be forwarded to the high school upon graduation or elementary school in the event of a transfer.

When a student is absent from school for any reason, it is the responsibility of a parent or guardian to contact the school office by phone (419-536-1194) or email the office (lwillinger@stbenedicttoledo.org) prior to 8:30am and report the reason for the absence. If no call is received, the school is required by law to contact the *parent or guardian* to obtain the reason for the absence. Please do not send another student in to report an absence. The school does have voice mail 24 hours a day and messages can be left at any time. Families who receive the EdChoice Scholarships are required by the State to send in a written note in the event of an absence or the absence will be considered unexcused.

Family Vacation

Such absences are strongly discouraged. A personal convenience form must be completed for these absences. Students are held responsible to make up all work **upon return**. **Teachers are not obligated to offer,**

organize, or give potentially missed schoolwork to any vacationing student prior to departure. A copy of the personal convenience form can be obtained from the school office. An individual form for each student per vacation is required.

Release of a student during the school day

Whenever possible, appointments should be scheduled outside of regular school hours. If it is necessary for a student to be dismissed before the end of the school day, parents or persons picking up the student must come into the office and sign the student out. When returning to school after the appointment, the student must report to the office.

Parents must provide written notification or communicate via a phone call or email to the school office when early dismissal is required for a student.

Tardiness

Promptness is an essential life skill for students to develop. Students arriving after 7:55am are considered tardy and should report to the office to receive an admittance slip. However, students arriving on a late bus are not considered tardy. Students arriving after 9:40 a.m. will be considered absent for one half day. Students leaving before 1:15 p.m. will be considered absent for one half day. Tardiness disrupts the learning of others. Two or more tardies in one week will result in a citation from the office. Excessive tardiness will be grounds for student discipline, including but not limited to citation, detention, or expulsion.

Truancy

A student is truant if he/she stays away from school without permission of the school. Any student who is considered truant forfeits the right to make up the work missed during the truancy. Notification will be made to authorities of possible educational neglect on the part of the parents/guardians.

Student Protection Issues Related to Attendance

In order to ensure the student's safety, parents of preschoolers and those utilizing Extended Care are required to designate in writing, how and to whom a student may be dismissed. Parents and guardians are obligated to inform the school office and/or the student's teacher if there are changes to pick-up scenarios. A form will be provided for parents documenting to whom a student may be dismissed. Students are not permitted to leave the school building or grounds during school hours. Students will **ONLY** be released to parents, guardians or persons authorized by the parents/guardians. Under **NO** circumstances will a student be released to an unidentified person.

If parents/guardians plan to be out of town for an extended length of time, parents/guardians are responsible for the student's care and supervision scenarios away from school. The school office and/or the student's teacher must be informed of arrangements for the student's care and the person(s) named to accept responsibility in case of accident or injury.

Section 16: DISCIPLINE

Student Behavior

All who make up the St. Benedict Catholic School community work together to form a Christ-centered climate of respect, self-discipline and responsibility so that students may do their personal best in all areas of learning and classroom behavior. School rules are reviewed with students on a regular basis to remind students and serve

as a warning for those who choose to behave in an undesirable way. Students who disregard the rules will have a consequence for their behavior. The age and maturity of the students as well as any special circumstances will be taken into consideration when violations occur. **Regardless, students have a right to learn; teachers have a right to teach; and parents/guardians have the right to expect a safe, respectful environment that is conducive to learning.**

Citation Policy

Students who receive a citation from a teacher for mild to moderate misbehavior or severe behavior will receive a citation that will go home with them to be signed. The teacher will keep a copy of the citation as well and write an email to the parent explaining the citation. An additional copy of the citation will be given to the principal as well as a copy of the email sent to the parent. The principal will keep a file of all citations given to students throughout the school year.

Mild to Moderate Misbehavior

We believe that students are still learning and developing. We know there will be times when some type of correction is needed. Usually this is carried out by the teacher in an informal way. If the undesirable behavior continues, the teacher may inform or request the assistance of the administration as well as notify the student's parent/guardian. Consequences may be in the form of a citation, detention, conference or some other course of action. When parents are notified, it is so they may be aware, support consequences, and address the issue with their student.

Severe Misbehavior

Serious misbehavior, repeated incidences, or an accumulation of violations justify stronger disciplinary action and are generally referred to the school administration. The following behaviors or any other behavior deemed harmful by the administration may result in suspension, another form of disciplinary action, withdrawal from school, or expulsion:

Disrespect of Authority

- Inappropriate or unacceptable words, actions, etc. directed toward a teacher/supervisor
- Repeated disruptive behavior interfering with instruction and learning
- Refusal to cooperate or disregarding directives of a teacher/supervisor

Harassment or Bullying

- Name-calling; racial or ethnic slurs; teasing; taunting
- Deliberate ignoring or excluding others
- Hitting, punching, kicking, tripping, pushing, pulling, shoving; inappropriate physical touch
- Physical attack: fighting (regardless of who starts the fight)
- Inciting disrespectful behavior; encouraging others to fight
- Threatening harm to anyone; intimidation
- Using foul language; cussing
- Hostile behavior; retaliation
- Making inappropriate sexual comments or gestures; sexual innuendos
- Spreading cruel, offensive or threatening rumors, notes or electronic communications

Cruelty or Dishonesty

- Making offensive drawings, comments, etc.
- Interfering with personal property; invasion of another's privacy
- Destruction of any property; vandalism
- Forging a parent/guardian's signature

- Cheating; copying another student's work; plagiarism; lack of academic integrity
- Stealing
- Lying; withholding the truth from a person in authority

Parent/Guardian/Adult Behavior

Parent/guardian/adult behavior can result in a meeting with the administrator to determine whether a student can continue at St. Benedict.

Violation of Safety Policies: Weapons, Gang Culture Alcohol/Drugs/Tobacco, etc.

Reporting Harassment, Bullying, etc. and Retaliation

Students are encouraged to report incidents of harassment, bullying, and other disrespectful, harmful, dishonest, or illegal behavior promptly to school authority for immediate intervention and investigation so that appropriate disciplinary action may be taken. Retaliation of any kind should also be immediately reported so that it may be disciplined. Behavior deemed inappropriate by the administration, whether at school or school-related events, are serious violations and will carry consequences which may include suspension, expulsion or other appropriate actions as determined by the administration.

Detention

When a student receives five minor citations, a detention will be served. The consequence for a major citation may be a detention. Detentions will be served on Thursdays **with the principal**.

Students in K-2 2:30-3:00

Students in 3-5 2:30-3:15

Students in 6-8 2:30-3:30

Probation

St. Benedict reserves the right to put a student who has displayed a history of poor behavior on probation. Probation would occur after a meeting with parents, teachers, and administration. A probation agreement would be drafted by the school and signed by the parent. If poor behavior continues while on probation, St. Benedict Catholic School can determine that it is not in the best interest of the school to continue enrollment.

Suspension

Suspension is a short-term removal from school and/or exclusion from participation in some or all school day activities, and after school activities and athletics because of serious misbehavior. The administration reserves the right to place a student in an alternative school setting for conduct deemed inappropriate and contrary to the expectations of the school. This includes, but is not limited to, physical fighting.

Expulsion

St. Benedict will do all within its power to assure its students the right to just and fair treatment; however, if cooperation is lacking from a student or his/her parent/guardian or if evidence of sufficient and sustained improvement is not demonstrated immediately, the administration may determine that it is not in the best interest of the school or the family to continue enrollment at St. Benedict. Expulsion includes exclusion from all school-related activities and athletics.

Searches

Anything brought onto school premises by a student is subject to search. All staff members have the authority to conduct a search if reasonable grounds exist for suspecting that a search will turn up evidence that a student has committed or is committing a violation of school rules. The principal may search the personal effects of the student and student's person.

Corporal Punishment

Corporal punishment is not allowable according to Ohio Law and is not part of our discipline policy.

Gang Policy

When teachers or other school authorities become aware that any student enrolled at St. Benedict Catholic School might have associations with gangs that are involved in any disruptive, immoral or illegal violent behaviors, that student's parents will be notified, as will the Toledo Police Department Gang Task Force. A parent, teacher, principal conference will be required at that point.

Any *proven* gang related criminal activity may result in immediate expulsion.

A student's association in the above-mentioned type of gang may be determined in many ways, including, but not limited to—dress and items of clothing, signals, handshakes, vernacular, graffiti, and other paraphernalia found on one's person, notebooks, book covers, desks, etc. Possible association can be made through word of mouth and will be investigated by administration and faculty. These policies apply to all students while they are on school property, coming to or going home from school, or at school related events off the school property (e.g. school sponsored sports activities and practices, parish and school events, school meetings, school performances, science fair, academic competitions, etc.) and other activities where students are representing St. Benedict Catholic School.

No parent should approach a student, who is not their student, to discuss behavior and discipline UNLESS said parent is in a position of authority for St. Benedict Catholic School...including but not limited to Teachers, Assistants, Extended Day Caregivers or Coaches.

Telephone/Cell Phones

Students may use the school telephone in emergency situations only and with the permission of school office personnel. Students may not use the school telephones in the library, preschool, supply room, teachers' lounge, or cell phones.

Cell phones may not be used during the school day. They must be turned off and turned into the student's classroom basket upon entering the building. Students who are tardy will turn their cell phones in to their classroom teacher.

Students who have a medical need for their phone, for example to monitor blood sugar, etc, may have their phone with the during the school day. However, there must be a signed doctor's note as well as a medical plan written by the school nurse the includes the use of the phone. This plan will include when and where the phone can be used and all teachers, staff, and administration will be aware of this written plan.

Teachers have the authority to collect/confiscate cell phones. They will remain with the teacher until the end of the school day. Teachers will return the phones to the students at the end of the school day.

Cell phones will be kept off until the end of after school activities or Extended Care.

Students who do not turn their phones into the teacher will have their phone confiscated and sent to the school

office until a parent comes to retrieve it. In addition, any student who is found to be using their cell phone or another student's cell phone that has not been turned in will have their phone confiscated, sent to the office for parent pick up and will also receive a citation.

1st Offense: \$10 Charge and parent/guardian must come retrieve phone in the school office.

2nd Offense: \$20 Charge and parent/guardian must come retrieve phone in the school office.

3rd Offense: \$30 Charge and a meeting must take place between parent and administrator about student's future at St. Benedict prior to phone being returned.

Students who violate the following may forfeit their privilege of bringing a cell phone to school and disciplinary action will result:

- Picture taking, texting, or tweeting during school hours or school activities
- Harassment of any kind...including, but not limited to texting, tweeting, email social media
- Game playing, gambling, or inappropriate Internet interaction
- Repeated refusal to turn in cell phone in the appropriate place with the student's teacher

Section 17: DRESS CODE

Parents/guardians are encouraged to help enforce this dress code. School uniforms can be purchased through our preferred vendor, Schoolbelles, which is located on Monroe St. in the Hobby Lobby Plaza.

The St. Benedict Catholic School uniform is meant to serve several purposes:

Students who are in violation of the dress code will be issued a minor citation by their homeroom teacher.

Section 18: GOVERNANCE

The Bishop of Toledo delegates the authority to operate Saint Benedict Catholic School to the Saint Benedict Catholic School Board of Directors, subject to the policies and procedures of the Diocese of Toledo.

Pastors will alternate the responsibility of acting as Saint Benedict Catholic School Superintendent bi-annually. Since the Superintendent is a local pastor, he is responsible to the Bishop. The pastor of Little Flower Parish, Fr. Jason Kahle will be superintendent for the 2024-2025 school year.

The Board is composed of the Pastors/Pastoral Leaders of Our Lady of Lourdes and Little Flower of Jesus Parishes and a minimum of six (6) additional members appointed by the Board in consultation with the Pastors for a two-year period. In addition, the Principal of Saint Benedict Catholic School is an ex-officio, non-voting member of the Board. Incoming Board members will fill a three- year term and may serve two consecutive terms.

Section 19: HEALTH/MEDICAL

Administration of Medication

It is diocesan policy to discourage the taking of any oral medication during the school day. In a case of unique circumstances which would require administration of prescribed medication to students, the cooperation of physicians, parents, and school personnel in overseeing the administration is necessary. We are governed by strict regulations by the State of Ohio in this regard. When a student is so ill that oral medication is temporarily required, parents/guardians should consider keeping the student at home until the need for medication is eliminated. In those special cases where a student is directed by his/her doctor to take prescribed oral medication during the regular school day, and a parent cannot come to school to dispense it, the following rules must apply.

To dispense prescription medication it is necessary to have:

- the physician's and parent's written request using the authorization form which can be obtained in the school office. This form may be faxed to the school office at 419.531.5140. When taking an ill student to the physician, it may be advisable to take along an authorization form in case the doctor wishes to have the student medicated during school hours.
- the medication in the original prescription container.
- specific information concerning school dispensing (i.e. dosage, date/s, time, side effects, etc. must be indicated on the physician and parental forms)

Failure to secure physician/parent permission before dispensing medication could be interpreted as practicing medicine and is therefore prohibited by law.

The medication will be locked securely in the school office or the nurse's office until the proper time for distribution. Under no circumstances should a student retain any medication on their person during the school day to self-medicate. The only exception is an asthma inhaler prescribed by a physician. We do ask that the students who self-administer asthma inhalers report to the office so that the accurate time of the administration can be logged for documentation.

Over-the-counter medications can be dispensed for a one-time or short-term dose if absolutely necessary with a written parental request form. These medications (pain relievers, allergy or cold preparations) will need to be brought in by the parent.

- Exact dates, times, and dosage will need to be specifically noted.
- If a student is known to need these medications as necessary on a regular basis, a physician's form giving the school personnel permission for dispensing is needed.
- Even over-the-counter medication must be labeled with the student's name, age, and grade.
- Medications will be safely locked in the nurse's office or school office and returned when no longer needed or at the end of the school year.

Only in cases of emergency (i.e. severe allergic reaction or extremely high fever), will a verbal (phone) authorization for medication be accepted.

In the event that a student taking medication is away from the building, the medication will be entrusted to the teacher for proper handling and administering.

Acquired Immune Deficiency Syndrome

Students with AIDS shall be allowed to attend school in a regular classroom setting according to the guidelines set forth in the Toledo Diocesan General Policy on AIDS.

Contagious Disease

If a student has a contagious disease, including a cold/cough or fever, the student should be kept home. Giving medication to reduce the fever before school, enabling the student to come to school, does not make the student non-contagious. It merely makes him/her more comfortable.

Any time a student is suspected of having a contagious disease, the student is isolated in a safe location within the school building. Parents are notified immediately. If parents cannot be reached, the school will follow the directive written by parents on the student's Emergency Medical Form.

In case of contagious disease, parents are to consult with their family physician to determine when it is permissible for the student to return to school. Parents are asked to inform the school at the outbreak of a communicable disease.

A student must be 24 hours fever free **WITHOUT MEDICATION** before they may return to school.

If a student is absent from school due to illness, he/she may not participate in other school related events on that day. A student's health is very important and takes priority over other events.

Emergency Illness or Injury during the School Day

If a student becomes ill during the school day, every effort will be made to contact the student's parent/guardian. If we are unable to reach the parent/guardian, the authorized person(s) on the Emergency Medical Form will be contacted.

Any student who leaves during the school day must be signed out in the office.

Students sometimes receive minor injuries while they are at school. Many times these injuries can be handled with ordinary First Aid measures. If there are injuries that require more attention, or require the attention of a physician or close monitoring, the student's parent will be informed. Parents may be asked to come to the school to pick up the student in those cases.

Emergency Medical Authorization Forms

Each school is required by law to provide an Emergency Medical Authorization form to the parent/guardian of every student in the school. This form is filled out on FACTS at the time of registration. Any new information, such as changes in phone numbers, emergency contacts, place of employment, etc. needs to be reported to the school office as soon as possible. These forms will help the school staff make decisions concerning medical emergencies in the event that the parent/guardian cannot be reached at the time of emergency.

Health Records

Physical and dental examination forms and immunization records are required to be kept on file at school. Students must have all the required immunizations recorded on their health forms or face exclusion from school until such time as they are complete. Upon request, health records will be transferred from a previous school.

All students must be in compliance with the immunization requirements set up by the State in the *Ohio Revised Code*. The school nurse keeps record of students' immunization dates on file. Physical Examination forms required for preschool and kindergarten must be signed by the physician and include the month, day, and year of all immunizations. Students without required immunizations are not permitted to attend school. The nurse will notify parents when a student is lacking any of the immunizations required by law.

Required immunizations

- a. Four or more DPT shots (one after age 4)
- b. Three or more Oral Polio vaccine
- c. One MMR (MEASLES, MUMPS, RUBELLA) after age 1 and before grade k
- d. Three doses of Hepatitis B immunizations
- e. Two doses of varicella (chicken pox) before K
- f. One meningitis vaccine before 7th grade (New in 2016)

If there is some pertinent information regarding the health of a student (allergies, diabetes, fainting, hearing, etc.), parents are asked to inform the school so that we may properly respond as the need arises.

Students whose parents present a written statement documenting any or all immunizations are objectionable for religious reasons or other reasons of 'good cause' may be exempt from the Code.

Section 20: SAFETY

Walking to and from School

Any student walking to or from school, is required to provide written parent/guardian permission to do so. Any student riding a bicycle to school must also provide written permission from parents to do so. Students must park and lock the bicycle in the area provided for that purpose. Skateboards, roller blades and shoes with "wheels" in them are not permitted on the school grounds.

Student Abuse Regulations

Teachers have a serious responsibility to report any concerns of neglect or abuse. When suspected student abuse or neglect is reported, the Students's Protective Services (CPS) Agency begins investigations to determine if the circumstances as described pose an immediate threat of harm to the student's health and well-being. Rules further require the CPS worker to make face-to-face contact and interview the alleged student victim. A frequent practice has been to interview the student during school hours and on school property. This allows the student to be interviewed in a non-threatening environment without influence of the alleged perpetrator.

St. Benedict Catholic School supports an opinion issued by the Ohio Attorney General (OAG op. No. 82-039) which supports the right of a board of education to require, by rule adopted pursuant to Section 3313.20, that an investigator from a public students's service agency obtain parental consent or permit a school official to be present before allowing the interview of an alleged student victim. If the caseworker does not wish to conduct the interview in the presence of school personnel, the caseworker may opt to interview the pupil during non-school hours or to obtain documentation necessary to remove the student from the school premises.

Crisis and Site Emergency Plan

Being prepared for all forms of school emergencies both natural and human related is imperative.

- a. All parents, volunteers, and guests must check into the school office upon entering the building, identify themselves, prior to visiting any classroom or making contact with any student.

- b. Enter the building via the main door nearest the office and identify yourself and be buzzed in
- c. An “Emergency Team” composed of five school personnel has been established to take the lead in addressing a crisis.
- d. In the event that it would be necessary for the students to evacuate the building, they would move to Hawkins School on Bancroft.
- e. Each teacher is responsible to carry emergency forms including phone numbers in the event of an evacuation.
- f. A copy of the school’s floor plan is on file with both the Toledo Police and Fire Departments.

Field Trips: Drivers and Permission Forms

As part of the educational services of the school, students often participate in field trips. Field trips are a privilege. Students may be denied participation if they fail to meet academic or behavioral requirements.

Permission slips are sent home for parent signature. Students who fail to submit the form provided by the school will not be allowed to participate. Phone calls are not acceptable in lieu of submission of the signed field trip permission form. The signed official permission slip may be faxed to the school office—419-531-5140. A blank copy of the official permission slip can be obtained from the school office.

Unless the field trip activity requires different clothes, students are expected to wear proper St. Benedict Catholic School uniforms and behave in a manner to bring respect and credit to the uniform and the School.

Students not currently enrolled at St. Benedict Catholic School are prohibited from participating in any field trip.

All drivers and students being transported on a field trip **must be wearing a seatbelt**. Students **may not** be doubled up in a seatbelt at any time. All laws regarding car seats and booster seats for students will be strictly followed. Students not in appropriate legal car restraints will not be able to attend the field trip.

CAR SEAT REQUIREMENT: Ohio Law: ANY student under 4 must ride in a car seat fashioned with a seat belt. Additionally state law requires any student weighing 40 pounds or less to ride in a car seat as well.

BOOSTER SEAT: Students between the ages of 4 and through age 7 must sit in a booster seat equipped with a seat belt. This also applies to a student of any age who is shorter than 4 feet 9 inches.

Any adult who drives or supervises on a field trip **must** have in our files a copy of background check and a certificate of completion of Protecting God’s Students and the signed diocesan standards form. This information can be located at www.virtusonline.org. In the event these are not complete, another unrelated adult who has met these requirements must accompany them. All drivers must also provide proof of insurance.

In order to ensure the safety of the students it may be necessary to cancel, delay the start of, or postpone a field trip at the last minute due to inclement weather or other factors. Please respect the decision of the administration and faculty on this matter. The safety of the students and their families will always be our first consideration.

There will be occasions when we have to limit the number of drivers chosen for a field trip. Many times places have limits due to cost and space. Please understand it is not always our choice.

Fire, Tornado, and Lockdown Drills

Fire Drills are held throughout the instructional year. The teacher will be the last to leave the room and close the door. The students will file out in silence to their assigned areas. Roll call is taken and the information is relayed to the principal.

New Ohio legislation makes regular tornado drills mandatory for all schools. Tornado drills are held during September, March, April, and May. All students move to assigned places given in September and take the proper tornado drill position: crouched down on their knees with their heads down, and their hands locked behind their heads. Roll call is taken and the information is relayed to the principal.

Evacuation procedures and exits for tornado, fire drills, and other emergencies are posted in each classroom.

Transportation

St. Benedict Catholic School students may be entitled to transportation through the public school district in which they live. The public school will make the eligibility determination based on location and distance from school.

Public school districts *will not* transport students from districts other than their own. This includes times when students want to take the bus home with another student.

Visitors

We require all visitors (including parents) to sign in at the school office. The only door that provides entrance to the school is the door nearest the school office and that is kept locked. Please ring the bell to be allowed entrance into the building.

Arrangements to visit a class must be made with the principal and teacher in advance.

Volunteers

As good stewards, we ask that our parents and school families contribute through sharing of time and talent, as well as treasure. There are many ways in which parents and families can give valuable assistance to the school.

All volunteers who work directly with students are required to have on file in the school office the following documentation: Protecting God's Students certificate, background check, and the signed form required by the Diocese.

Section 21: TUITION AND FEES

Private schools are funded and supported through tuition, fund-raising, endowment, and grants. Each school is responsible for the total cost of education. Therefore, each family who chooses Catholic education should consider the payment of tuition a responsibility and a priority.

Tuition is determined each year by the St. Benedict Catholic School Board of Directors based on the projected per pupil cost and the amount of financial support from both Our Lady of Lourdes and Little Flower parishes. To be eligible for scholarships offered by the parishes, families must be registered and make a commitment to worship regularly with the parish community and to contribute time, talent, and treasure in support of the life of the parish. Families who are not registered members of either parish will be charged a tuition rate that is more closely aligned with the full per pupil cost but may also apply for available scholarships. Each parish determines its policies for financial assistance. Parents should contact the school principal for information related to other resources of assistance.

Payment options are described in the registration packet. Currently, there are two methods of payment:

- Prepaid – Full payment made at the time of registration
- FACTS Management Service – a monthly electronic deduction from your bank account

DELINQUENT TUITION POLICY FOR ST. BENEDICT CATHOLIC SCHOOL

Matters involving delinquent tuition or other delinquent fees are managed through the business office.

Section 22: WEATHER – SCHOOL DELAYS AND CLOSINGS

Generally St. Benedict Catholic School follows the same procedures as **Toledo Public School** regarding weather-related delays and closings. Any weather-related delays or closings will be announced over the local TV and radio stations under the umbrella statement: Toledo Public or Toledo Catholic Schools are delayed or closed. You will not hear St. Benedict Catholic School named individually. Please listen to your TV or radio for this announcement and refrain from calling the school or parish rectories. We receive our information in the same way you do.

A 2-hour delay means that the building will not be opened until **9:00** with classes beginning at **9:55 am**. Please do not attempt to drop your students off at the regular time. *No one will be here to supervise the students.*

There will be **no** Extended Care on days when the school is closed!

Weather-related delays or closings are **not** the responsibility of St. Benedict Catholic School Administration. They are the jurisdiction of the Toledo Public Schools Administration. It may happen that St. Benedict Catholic School is in session at regular time and one or more of the other districts that provide bussing to our school are delayed or closed. In the case of a delay, parents who reside in these districts are asked to provide transportation for their students in the morning. If the public school district is closed, parents will need to provide transportation both in the morning and in the afternoon. Parents are cautioned to consider their safety and that of their students above all else.

Section 23: POLICY STATEMENT ON GENDER RELATED ISSUES

The Catholic Church has always believed that her first mission given her by Christ Jesus is the salvation of souls. The Church must be true to her own identity and mission. Thus, the teachings of the Catholic Church must permeate all aspects of her activities. As a result, the Catholic community has a responsibility to be a witness to truth, charity, and justice based on the Gospel; and must always strive to be respectful of persons and understanding of the struggles present within and among the people of God. It would be inconsistent with the Church's mission to teach, promote, or encourage anything that is contrary to the teachings she has received from God and which the Magisterium has clearly and consistently articulated.

For this reason, the Church cannot, and may not, sponsor, endorse, facilitate, or host such organizations, events or activities that would promote such views, in any form or format whatsoever. With specific regard to the human person, the Catholic Church has always and everywhere affirmed her belief that each and every human being is created in the image and likeness of God. As such, every person deserves respect, dignity, and freedom from discrimination. By remaining true to what Christ has taught concerning the human person, the Church encourages individuals to accept their own bodies and gender as they were created and seeks to help all people to recognize that the current attempts in modern culture to redefine gender and social institutions, as well as alter the nature and purpose of human beings, are misguided and not in accord with the truth. Therefore, it would be morally unacceptable for the Catholic Church, including the Diocese of Toledo, its parishes, schools, or ecclesiastical organizations to provide accommodations based on anything which in itself is contradictory or antithetical to the teachings of Christ and his Church, including notions of gender and sexuality that are contrary to Catholic teachings.

For a fuller catechetical treatment of this topic, see Catechesis Regarding Human Dignity and Gender-

Related Matters In Catholic parishes, schools and ecclesiastical organizations of the Diocese of Toledo, all activities and ministries are to be rooted in, and consistent with, the principles of Catholic doctrine. Therefore, in every parish, school and institution, all paid employees and unpaid volunteers will:

1. Treat all persons with sensitivity, respect, and compassion.
2. On a case-by-case basis, consider in a compassionate way any specific request sensitive to the physical and psychological needs of a person. The basis of the consideration will be on the following questions:
 - What is the specific request of the adult, student and/or parent(s)/guardian?
 - Is the request in keeping with the teaching of the Catholic Church?
 - Is the parish, school or ecclesiastical organization reasonably able to provide for the request?
3. Require that names and pronouns be in accordance with the person's biological sex.
4. Maintain names in records according to the person's biological sex.
5. Confirm that uniforms and gender specific dress, bathrooms, locker rooms, showers, and sponsored activities will all be according to biological sex.
6. Require that participation on athletic teams and extra-curricular activities be according to biological sex.
7. Consult the Office of Marriage and Family Life with extenuating circumstances.

Section 26: DISCLOSURE

The principal of St. Benedict Catholic School reserves the right to amend the handbook, dress code and discipline code for any reason at any time. In the event that this should occur, parents will be notified promptly through a communication in the Thursday envelope or other normal communication channels.

We thank you for your attention to the policies and procedures set forth in this handbook.

May God bless you and your family.

St. Benedict, pray for us!

Acceptable Use Policy St. Benedict, Toledo

I. Diocesan Statement on Technology

With Jesus, the Great Communicator, and in the spirit of our Christian tradition, we recognize that we live in a new media age, immersed in a new culture with an evolving language and method of communication. We propose to make use of the most effective means available to communicate the integration of faith and culture, which is at the center of Catholic values and education.

The use of new technologies presents new possibilities and challenges for the mission of the Church and Catholic education. The Church views emerging technologies as gifts of the Spirit to this age and challenges “God’s faithful people to make creative use of new discoveries and technologies for the benefit of humanity and the fulfillment of God’s plan for the world” (*Aetatis Novae*, #2, #3; Rome, 1992).

In keeping with the mission of the Catholic schools to promote values for a lifetime, the schools will instruct about and guard against inappropriate, unethical, and illegal use of the Internet by the student or adult user.

II. Introduction

The purpose of the Acceptable Use Policy is to clearly explain to students, parents, and school staff members the expectations that users of the system are expected to uphold. This document entails the practical considerations that need to be made by users of the system and carefully outlines exactly what practices are encouraged or forbidden by the school. The Acceptable Use Policy (AUP) gives students a clear statement of what is expected of them in terms of the day-to-day use of school technology and related services.

At St. Benedict Catholic School, Toledo, students are not allowed to have personal electronic devices on their person during the school day. If any such device is brought to school, it must be stored in the student’s bookbag or in a specific place as designated by the school. A violation of this policy will be grounds for severe discipline, loss of privilege of use of ANY school related technology up to and including immediate removal of a student.

The following policy applies to school computers, technological devices, and network and is in effect whenever these are in use, on or off school property. Even if a user is using a school-issued computer after school, this policy still applies.

To gain access to school technology and the Internet, all students of St. Benedict, Toledo must obtain parental permission and attend a series of required Internet training sessions. The signature(s) at the end of this Handbook is (are) legally binding and indicate(s) the party (parties) who signed has (have) read the terms and conditions carefully and understand(s) their significance.

The following rules are provided so that everyone is aware of personal responsibilities. Any user in violation of these provisions may have his or her account terminated, and future access could be denied in accordance with the rules and regulations discussed during Internet training sessions. The school administration, faculty, and/or staff may request the Computer Teacher (or Technology Coordinator) to deny, revoke, or suspend specific user accounts.

III. Acceptable Uses

An acceptable use is one that is for educational purposes. The Computer Teacher (or Technology Coordinator), after consultation with the Pastor/Superintendent and/or Principal will deem if a particular use was acceptable, and their decision is final. However, it should generally be assumed that acceptable uses are academic in content and do not serve a purpose other than to enhance the education of a user.

If a student is not sure if a particular use is permitted by the spirit of this policy, he or she should consult their teacher or Computer Teacher (or Technology Coordinator). Unacceptable uses will result in appropriate levels of discipline, possibly including a loss of computer access, as well as other disciplinary or legal action.

In keeping with the mission of the Catholic schools to promote values for a lifetime, the schools will instruct about and guard against inappropriate, unethical, and illegal use of the Internet by the student or adult user.

II. Introduction

The purpose of the Internet Safety Policy is to provide the school’s approach to Internet safety and security and provides overarching themes for how St. Benedict Catholic School, Toledo will handle these issues rather than presenting a guide for students on the day-to-day operations of the school network, computers, and proper usages (this can be found in the Acceptable Use Policy, which complements this document). St. Benedict Catholic School, Toledo recognizes that students must act responsibly and will hold students accountable for their actions in attempting to uphold the Internet Safety Policy.

Successful operation of the building network facilities requires that use of Internet resources be consistent with the stated mission, goals, and objectives of St. Benedict Catholic School, Toledo.
